

News Report

ICAR-National Research Centre on Yak, Dirang, West Kameng district, Arunachal Pradesh has organised an Inputs distribution programme among the tribal farmers of the West Kameng district under the NEH scheme of ICAR-Central Institute for Research on Cattle, Meerut on August 30, 2024 at the Auditorium, ICAR-NRCY, Dirang. The inputs were distributed by Dr. A.K. Mohanty, Director, ICAR-CIRC, Meerut, along-with other dignitaries-Dr. A.K. Tyagi, ADG, (AN&P), Dr. Mihir Sarkar, Director, ICAR-NRC on Yak, Dr. J.K. Prasad, Dean, BASU and Dr. Vineet Bhasin, Ex-Principal Scientist (AG&B). The programme aimed at distributing inputs for maintaining the well-being and productivity of animals, which are crucial for the livelihoods of many communities in the mountainous regions of West Kameng district.

The Director, ICAR-CIRC, Meerut, has given emphasises on the timed-AI and progeny testing programme in the animals and promised the farmers for providing the inputs even in the upcoming years.

Dr. A.K. Tyagi, ADG (AN&P) urged the farmers to feed balanced diet to the animals in order to achieve the goal of farmer's income doubling.

Total 50 beneficiaries were given inputs during this programme and the inputs comprised of hand-gloves, tarpaulin, mineral mixture, common salt and cow-mat.
