#### ICAR-Central Institute for Research on Cattle, Meerut Welcomes Two New Scientists

In a momentous occasion, the ICAR-Central Institute for Research on Cattle (ICAR-CIRC), Meerut, proudly announces the joining of two distinguished scientists, Dr. Anjali (Veterinary Physiology) and Dr. Divya (Animal Genetics and Breeding) to their esteemed research team. This development marks a significant step forward in the institute's pursuit of excellence and ground-breaking advancements in the field of cattle research.

The director of ICAR-CIRC, Dr. Umesh Singh, extended a warm welcome to the two eminent scientists in a motivational speech delivered at the institute's committee hall. Dr. Singh emphasized the significance of their expertise and expressed his confidence in their transformative contributions to cattle research and agriculture.

The inclusion of these two new scientists is expected to enrich ICAR-CIRC's research capabilities significantly. Their expertise will be instrumental in furthering the institute's mission to enhance the productivity and well-being of cattle wealth.
