ICAR-Central Institute for Research on Cattle, Meerut

02-08-2023

Research Advisory Committee Meeting held at ICAR-CIRC, Meerut

The third meeting of XXIII Research Advisory Committee of ICAR-Central Institute for Research on Cattle, Meerut was held on 2nd Aug 2023. The meeting was chaired by Dr. V. K. Taneja, former VC, GADVASU & former DDG (Animal Science), ICAR, New Delhi. The members of the RAC committee included eminent scientists from different parts of the country like Dr. Arjav Sharma, Dr J R Rao, Dr Kirpal Singh, Dr Harish Verma, Dr Dhinakar Raj Gopal and Dr Dharmendra Singh Ballia (Progressive farmer).

The RAC reviewed the outcome of the research projects. Numerous topics were discussed, including advancements in cattle genetics, reproduction, nutrition, disease management, and sustainable farming practices. During the meeting, Dr. V K Taneja, Chairman of RAC, emphasized the importance of advancing cattle research to address various issues related to livestock management, breeding, and healthcare. He commended the ICAR-CIRC on Cattle for its significant contributions to the field and encouraged the scientists and researchers to continue their pursuit of excellence.

Dr. Umesh Singh, Director, CIRC expressed his gratitude to Dr. V K Taneja and the esteemed members of the RAC for their insightful contributions during the meeting. He also reaffirmed the institute's commitment to advancing research and innovation in cattle husbandry and allied domains.

The meeting concluded on a positive note with a sense of optimism and determination to further strengthen research collaborations and implement evidence-based solutions for the betterment of cattle farming practices. As the meeting concluded, it was evident that such meetings play a pivotal role in fostering innovation and knowledge dissemination, ultimately contributing to the growth and sustainability of the cattle farming sector in the country.
