

ICAR-Central Institute for Research on Cattle, Meerut has taken Possession of Land at Babugrah, Hapur (UP)

The 28th August 2013 is the auspicious day for ICAR-CIRC, Meerut as the Institute has acquired 150 acres of land at Bagugarh, Hapur from the Department of Animal Husbandry, Government of Uttar Pradesh. A committee headed by Dr. A.K. Mohanty, Director of ICAR-CIRC, Meerut after completion of all the codal formalities for the transfer has taken over the land from the officials of the Department of Animal Husbandry. With this, the long awaiting of ICAR-CIRC, Meerut has come to an end as the Institute has got its own land for its permanent establishment with all the State of the Art facilities. Earlier, ICAR has requested the Government of Uttar Pradesh to allot 150 acres of land for its establishment which was approved by the Cabinet chaired by the Hon'ble Chief Minister of Uttar Pradesh. The Indian Council of Agricultural Research also formed a high level committee to look after the transfer formalities and other related issues. The committee after a detailed discussion has recommended for the acquisition of land and consequently the Dr. A.K. Mohanty Director of the Institute has taken over the land.
