GENERAL INSTRUCTIONS FOR MAINTENANCE OF RESEARCH DATA RECORD BOOK

ICAR–Central Institute for Research on Cattle (ICAR-CIRC), Meerut

1. **Purpose:** The Research Data Record Book is being provided by ICAR-CIRC, Meerut, to each Scientist for systematic recording and documentation of the day-to-day progress and activities of research projects undertaken by them.
2. **Regular Recording:** Scientists shall maintain the Data Record Book regularly and record daily progress of research projects, experimental activities, observations, raw data, results, field/laboratory activities and other relevant information pertaining to the assigned research projects.
3. **Accuracy and Completeness:** All entries must be made in a systematic, chronological and legible manner. The observations and data recorded should be authentic, accurate, complete and supported by relevant details, wherever necessary. Overwriting and unauthenticated alterations should be avoided.
4. **Project-wise Documentation:** Separate and clearly identifiable records should be maintained for different research projects, including details of experiments, methodologies, sampling, observations, data analysis and significant outcomes, as applicable.
5. **Periodic Verification and Authentication:** The Research Data Record Book shall be reviewed and authenticated at the following intervals:
   - Weekly: By the In-charge Scientist of the concerned research project.
   - Fortnightly: By the Head of the concerned Division.
   - Monthly: By the Director, ICAR-CIRC, Meerut.
6. **Monitoring of Research Progress:** The periodic review and authentication of the Research Data Record Book shall facilitate close monitoring of research activities, assessment of project progress, verification of recorded observations and timely identification of issues requiring attention.
7. **Institute Property:** The Research Data Record Book is the official property of ICAR-CIRC, Meerut. It shall be maintained carefully and kept safely by the concerned Scientist. It shall not be taken outside the Institute premises or transferred to any other person without prior approval of the competent authority.
8. **Submission and Handover**: The Research Data Record Book must be duly completed and submitted to the Data Management Cell through the In-charge, PME Cell, under the following circumstances:
   - On completion or closure of the research project.
   - On transfer, retirement or relieving of the concerned Scientist from the Institute.
   - Whenever required by the Director or any other competent authority.
9. **Availability for Inspection:** The Research Data Record Book shall be made available for inspection, verification and review by the Director, Heads of Divisions, In-charge PME Cell or any other authority designated by the Institute, whenever required.
10. **10. Compliance**: Maintenance of the Research Data Record Book is mandatory for all Scientists handling research projects at ICAR-CIRC. Any lapse in its regular maintenance, periodic authentication or timely submission shall be viewed seriously.

All Scientists are requested to ensure strict compliance with these instructions to strengthen research data documentation, transparency, accountability and effective monitoring of research projects at ICAR-CIRC, Meerut.
